### **NOTICE OF DRAFT RESOLUTIONS** **(Pursuant to PU Code § 311(g))**

**Pursuant to Public Utilities Code § 399.8, directs Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas and Electric Company to collect monies from customers to fund investments in energy efficiency, renewable energy, and research, development and demonstration projects**

A draft resolution of the Energy Division as Public Utilities (PU) Code § 399.8 requires the three major California investor owned electric utilities to assess a Public Goods Charge (PGC) to customers in order to fund certain public interest programs. It specifies that, starting January 1, 2002, \$425.5 million is to be provided to these programs each year until January 1, 2012. However, § 399.8 does not specify how much of this annual total is to be allocated among the utilities except for the Energy Efficiency (EE) programs. Opening comments are due on November 4, 2002 and reply comments are due on

November 12, 2002. Both opening and reply comments are limited to five pages. Copies of the resolution can be obtained by contacting:

Jack Fulcher  
Electric Industry & Finance Branch  
California Public Utilities Commission  
505 Van Ness Avenue, 4<sup>th</sup> Floor  
San Francisco, CA 94102  
Telephone: (415) 703-1711

---

Draft Resolution M-4807 will be placed on the Commission Meeting Agenda of November 21, 2002. This resolution adopts level of utilities reimbursement account fees for fiscal year 2002-03.

Interested parties may obtain a copy of Resolution M-4807 for review and submission of written comments. A copy of the draft resolution may be obtained from, and any subsequent written comments should be submitted to:

James Wuehler  
Water Division  
California Public Utilities Commission  
505 Van Ness Avenue  
San Francisco, CA 94102  
jrw@cpuc.ca.gov

Public necessity requires that the 30-day comment period of Public Utilities Code Section 311(g) be reduced so that the Commission may collect the revenues as set forth in this resolution as soon as possible. The Commission concludes that a reduction in the 30-day review period by 2 days will not compromise the public interest or any party's rights. Accordingly we reduce the comment period for this resolution from 30 days to 28 days. Parties who wish to file comments on this resolution may do so no later than November 10, 2002.
